0487 "Release of the Identity of the Incoming Shipper/Supplier to Incumbent upon Supply Point Transfer Processes",
0591 "Introduction of Change of Tenancy Marker to the Confirmation/Registration process"

Dear Colleague(s)

I would like to advise you that following an unsuccessful 'cutover' of RGMA related system changes (change numbers 49483, 49362, 48940, 49941 & 49378) scheduled for implementation during the weekend period commencing Friday 9 July through to Monday 12 July 2004, Implementation of the above modifications will be deferred until further notice.

Revised Notices of Implementation will be issued as soon as possible once a new date has been established.

Yours sincerely,

Julian Majdanski
Modification Panel Secretary.
