Transition Document Part II

Add 8.10.7 to read:

8.10.7 M5

UK Link suspension for the purposes of Review of Gas Metering Arrangements

In order to enable changes to be performed in respect of UK Link for purposes relating to the Review of Gas Metering Arrangements, on the 10th July 2004, 11th July 2004 and 12th July 2004, (the "RGMA Period"), the operation of UK Link for certain purposes will be suspended and accordingly the provisions of Section M5 shall be varied as follows:

For each Day (to which a Meter Reading in respect of a Performance Relevant Supply Meter Point relates) which immediately precedes or is within the RGMA Period the references in Section M5.2.1 to the "Day following", M5.2.2 to the "following Day" and M5.2.3 to the "Day following each such Day" shall be deemed to be references to the 13th July.

Yours sincerely,

Julian Majdanski
