Dear Julian

**Modification Proposals 0110**

Thank you for providing Scottish and Southern Energy plc (SSE) with the opportunity to comment on the above modification proposals.

SSE is supportive of the proposal.

SSE believe that if the metering changes identified within this modification proposal are not implemented then the delivery of additional gas to the UK may be hindered to the detriment of security of supply. Therefore SSE agree that the proposed metering changes should be implemented.

Yours sincerely

Jeff Chandler
