

APPLICATION FOR CONSENT TO MODIFY THE CODE

"Revision to a cross reference in TPD Section U8.6.2"

Version 1.0

Reference: C029

Transporter Proposal

The Joint Office of Gas Transporters would like to request that the Authority grant permission to amend the legal text as contained within the Uniform Network Code.

As a result of ongoing work within the Joint Office of Gas Transporters and xoserve, a corrupt and redundant cross reference has been identified within UNC TPD Section U, paragraph 8.6.2. The error in the reference originated from the insertion of new text during the implementation of the Uniform Network Code Modification 0010(0735) "Amendment to the minimum notice required for UK Link changes" in release 1.0 (version 2.0), Code as at 01 January 2006.

The new text amended paragraph 8.6.1 by incorporating sub paragraph 8.6.1(a) and deleting (b) to which the cross reference originally referred.¹

As a consequence, the following changes to the UNC are proposed.

Nature of Modification

TPD Section U8.6.2.

The following paragraph should be amended as follows:

"8.6 Notifying Class 2 and Class 3 Modifications

8.6.1 Subject to paragraph 8.6.2, where.....

8.6.2 Paragraph 8.6.1 shall not apply in respect of a Class 2 Modification or a Class 3 Modification in respect of which alternate timescales to those referred to in paragraph 8.6.1 ~~or Error! Reference source not found.~~ are agreed to by the Transporters and the UK Link Committee or pursuant to the Modification Rules or where the modification is one in respect of which paragraph 8.4.12 applies."
