Notice of Transportation Charges effective October 1st 2008.

Please find attached the Notice of Transportation Charges to apply from October 1st 2008 for Wales & West Utilities. We have issued the Notice in order to comply with Network Code which requires us to give two months notice of any changes to transportation charges. Please can you distribute this note and the Notice to all shippers.

LDZ system and LDZ customer charges will increase by 10.1% from 1st October 2008 which is consistent with the increase we reported in our Indicative Charges statement issued on 1st May 08.

The charges also reflect the change to the structure of LDZ systems charges which will move to a 95% capacity 5% commodity split from 1st October and which was widely consulted upon and endorsed by Ofgem.

The reasons for increasing the charges were given in our Indicative Charges statement and those reasons still hold true.
