<b>Support or oppose implementation?</b>	Support/
<b>Relevant Objective:</b>	f) Positive

**Reason for support/opposition:** Please summarise (in one paragraph) the key reason(s)

Npower supports this Modification as we believe it should lead to improved data accuracy related to smart and AMR metering in central systems. It also adds welcome clarity and additional focus to the existing obligations for shippers in this area. It will be Positive for objectives d) and f) for this reason.

**Self-Governance Statement:** *Please provide your views on the self-governance statement.*

We agree self-governance should apply here.

**Implementation:** *What lead-time do you wish to see prior to implementation and why?*

We agree with the proposed implementation timescale.

**Impacts and Costs:** *What analysis, development and ongoing costs would you face?*

None at this time.

**Legal Text:** *Are you satisfied that the legal text will deliver the intent of the Solution?*

Yes.

**Are there any errors or omissions in this Modification Report that you think should be taken into account?** *Include details of any impacts/costs to your organisation that are directly related to this.*

No
