Support or oppose implementation?	Support
Relevant Objective:	d) Positive f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

SGN supports the inclusion of AQ reporting to the PARR Schedule reporting suite. SGN believes this additional report will have a positive impact on the work of the PAC and on the issue of UIG.

Self-Governance Statement: *Please provide your views on the self-governance statement.*

We agree with the Self-Governance Statement within the modification that this is a non-material change.

Implementation: *What lead-time do you wish to see prior to implementation and why?*

Having as short a lead time of possible would be beneficial to this Modification, and fully recommend that it is implemented as soon as possible.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

No SGN costs or system development has been identified.

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

Yes. SGN agree that the Legal Text provided meets the intent of the Solution.

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

None identified.

Please provide below any additional analysis or information to support your representation .

None to add
