

AUGE Monthly Industry Report

Date: 4th January 2021

Reporting Period: December 2021

Prepared by: David Speake, Engage Consulting

OVERVIEW

The purpose of this document is to keep stakeholders informed of recent activity and progress in delivery of the AUGE service.

Key points for December 2021:

- ▶ We completed and published the draft AUG Statement and weighting factors for the Gas Year 2022-2023.
- ▶ The consultation on the draft weighting factors has been published. Deadline for all responses is 22nd January 2022.
- ▶ We provided details and analysis of the 01NI EUC band dataset to interested parties (see meeting papers for the 14th January AUG Sub-Committee).
- ▶ We have continued to collate data requirements for the Gas Year 2023-2024 and will discuss further optimising data delivery with Xoserve in January.

Service Status

Core status remains green.

Innovation status remains green.

Advisory status remains green.

We welcome engagement with all stakeholders. Please contact us at auge@engage-consulting.co.uk.
