### **0782 - Creation of Independent AUGE Assurer (IAA) role**

**Date:** 16 September 2021

**Organisation:** Citizen Advice

**Abstract:**

It is unclear why the material issue of 0782 is not included as part of the issues to be reviewed under 0781R when 0781R is intended as an extensive review - especially as both Modifications are proposed by the same proposer.

As the issue in 0782 is a proposal which could be considered within 0781R, there appears a high risk that progressing both Modifications would lead to a duplication of work for all parties involved. The advancement of 0782 also presupposes any potential discussions that would take place in the workgroup of 0781R.

Both Modifications progressing simultaneously appears to be an ineffective use of panel, JO and industry time and resources.
