

Transco General Notice

"Amendment to the required date range for opening meter reads"
Version 1.0

23/07/2003

Dear Colleague,

IMPORTANT NOTICE FOR YOUR ATTENTION

DEFERRAL OF IMPLEMENTATION - MODIFICATION PROPOSAL No: 0602

"Amendment to the required date range for opening meter reads"

Please note that the Revised Final Modification Report, Version 4.0, was signed by Ofgem on 17/07/2003.

A prerequisite for the implementation of this modification is the development of systems changes. Transco understands that there will be a RGMA related impact and is holding discussions with Ofgem regarding this.

An Implementation Notice will be issued as soon as an implementation date is available.

Yours sincerely,

Julian Majdanski

Modification Panel Secretary
