Version 2.0

Reference: C086

Transco Proposal

To address a typographical (date) error that occurred during the preparation of the legal text for Section B, paragraph 2.2.1(d) contained within the legal text fields in Final Modification Reports (v1.0) and Notices of Implementation for Modifications **0616 "Revision to the Standard Year for purposes of acquiring and holding Annual Monthly System Entry Capacity" & 0617 "Revision to the Standard Year for purposes of acquiring and holding Long Term System Entry Capacity"**.

As a consequence of the simultaneous implementation of these two modifications, (where both aspired to amend the same paragraph B2.2.1(d), but with subtle date differences), the incorrect dates have been inserted into the specified paragraph.

Nature of Modification

Text extracted from the original Notice of Implementation dated 30/06/2003.
