

UNC Modification Proposal 0326V

LEGAL TEXT

Allocation of unidentified gas following the appointment of the Allocation of Unidentified Gas Expert (AUGE)

TPD Section E; DAILY QUANTITIES, IMBALANCES AND RECONCILIATION

Amend paragraph 10.4.4 as set out below:

10.4.4 For the purposes of the Code:

- (a) the AUG Methodology and AUG Table...and (subject to paragraph 10.5.5 below), shall not be subject to modification...
- (b) ...the Code.

Add new paragraphs 10.5.5 and 10.5.6 as set out below:

10.5.5 In circumstances where a new Unidentified Gas Source (with the exception of issues relating to the theft of gas methodology or shipperless or unregistered sites issues) is identified by the AUGE in any particular AUG Year (the “**Current AUG Year**”) and leads to a quantity of Unidentified Gas to apply to prior AUG Years in addition to the Current AUG Year, paragraph 10.5.6 shall apply for each applicable prior AUG Year back to and including 1 April 2012 (where relevant and subject to Section S 1.4.4) as set out in paragraph 10.5.6 below.

10.5.6 As soon as reasonably practicable following the adoption of the AUG Table for the Current AUG Year, where applicable in accordance with paragraph 10.5.5 above, a reconciliation and adjustment shall be made, for each User and each Reconciliation Billing Period in each prior AUG Year between:

- (a) the User Unidentified Gas Amount as determined on the basis of the AUG Table for the Current AUG Year; and
- (b) the User Unidentified Gas Amount as determined on the basis of the revised AUG Table (taking into account the new Unidentified Gas Source) as applicable for each prior AUG Year in which such new Unidentified Gas Source is deemed to apply;

and the net adjustment amount shall be calculated and paid by or to such User (and shall be invoiced and payable in accordance with TPD Section S), without interest in respect of the period prior to the due date of the relevant invoice for such adjustment amount.
