92.3 Minutes and Actions from the previous meeting

Action UNCC 0105: AUGÉ to provide a breakdown of data used in the unidentified gas calculation and a worked example.

Update: No update available. **Carried forward**

92.4 Matters for the UNCC

a) AUGÉ Year Review Report for AUG Year 2011-12

AM outlined the responses received and gave a brief resume of the process followed throughout the year. Areas for improvement had been noted and these were being addressed.

It was concluded that there were no significant areas for concern regarding the activities and performance of the AUGÉ and in the creation of the AUGS.

No further comments were received from Members.

b) Schedule for Shipper Communications in Incidents of CO Poisoning, Gas Fire/Explosions and Local Gas Supply Emergency

A copy of the amended document had been provided for review.

No further comments were received.

The document will be finalised and published.

92.5 Matters of Implementation

a) Modification 0376S 0376SA - Increased Choice when Applying for NTS Exit Capacity

RH reported that no further update was available at present. However, no party had requested the service for the July 2012 window.

92.6 Any Other Business

None raised.

92.7 Next Meeting

Thursday 19 July 2012, at 31 Homer Road, Solihull, immediately after the UNC Modification Panel meeting; teleconference facilities will be available.

Action Table 21 June 2012

Action Ref	Meeting Date	Minute Ref	Action	Owner	Status Update
