**Urgent Modification Proposal No 31**

Dear Tahir,

I refer to our recent correspondence with regard to Urgent Modification Proposal No 31 'VAT Totals on Adjustment Invoices'.

Unfortunately, due to unforeseen difficulties encountered with the necessary development work, it is necessary to defer the implementation date from 27/6/96 to 11/7/96. The extension will enable the relevant programs to receive additional systems testing.

I intend to advise Shippers of this change on 19 June.

Please contact me on 0121 623 5051 should you have any queries.

Yours Sincerely

Chris Warner
