Dear Colleague,

NOTICE OF IMPLEMENTATION

MODIFICATION 0089

Opening Read Process - ReceiptWindow

Please note that Proposal 0089 was implemented effective from 06:00, 6 February 1997.

The Report was signed by Ofgas on 29 November 1996. The Modified text resulting from this modification is detailed below.

A copy of the Modification Report will be sent to you shortly

Modified Text;

Amend M3.8.5 to read as follows:

"....TransCo will not earlier than 10 Business Days nor later than 15 Business Days after the Supply Point Registration Date provide such notional Meter Reading...."

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Chris Warner', with a long horizontal flourish extending to the right.

Chris Warner,
Commercial Analyst.
