#### **Scope of Development**

The scope of the development will be to examine Proposals 0098 (AGAS) and 0098A (TransCo) and develop a systematised solution to mitigate some of the problems currently being experienced with the NTS capacity booking regime. The proposals are concerned with two specific aspects of the booking regime:

- i) the number of opportunities to book capacity (Eligible Capacity Registration Dates and;
- ii) the time-scales associated with the booking processes.

Both Proposals support an increase to the number of eligible dates but further work is required to reach agreement on the most appropriate timescales.

#### **Work to be Undertaken**

To examine the elements of the NTS capacity booking process, ie. application, approval, withdrawal & registration, and agree time-scales for these activities.

#### **Areas of Network Code Concerned**

Principle Document:	B 2.2.2(b), B 2.2.5, B 2.2.6 B 3.2.2(b), B 3.2.5, B 3.2.6 Annex B-1
