Dear Clive

RE: Energy UK consultation Response - AUGS Initial Statement

British Gas welcomes the opportunity to respond to the AUGS 2013/2014 Initial Statement. I would like to confirm that British Gas queries and comments have been incorporated into the Energy UK response, which we fully endorse.

Following the Energy UK response I trust you will address industry concerns for the following areas -

1. Methodology
2. Default Allocation
3. SSP Assigned UG
4. Theft Sector Apportionment
5. The Scale of the Balancing Number
6. IGT CSEP
7. LSP NDM Metering Errors – Drift
8. DM - Temperature and Pressure (T&P) Conversion Factors

If you have any queries regarding the response please do not hesitate to contact me.

Kindest regards,

Andrew Margan
