Dear Mr Whitehand,

**SSE's Response to the Consumption Analysis and Theft Interim Report**

Energy UK is providing a response to the consultation on the Consumption Analysis and Theft Interim Report of the 2012 AUGS for the 2013/14 methodology on behalf of its members. As a member, SSE fully supports the view provided in this response and there are no further points that we wish to make at this time.

Yours sincerely,

Mark Jones  
Gas Data Quality Manager
