Notice of LDZ Transportation Charges effective from 1 April 2013

Please find attached the Notice of Transportation Charges effective from 1 April 2013 for Northern Gas Networks Limited (NGN). This Notice is issued in compliance with our Licence and Network Code obligations to provide two months notice of any changes in transportation prices.

The Notice has been prepared on the basis of the Ofgem Final Proposals for the RIIO-GD1 price control. The overall average price increase for transportation prices excluding the Exit Capacity (ECN) charge is 5.2%. This is broadly in line with the Indicative Notice published in November 2012, which forecast a price increase of between 4.5% and 6.4%.

NGN will publish a more detailed Statement of LDZ Transportation Charges effective from 1 April 2013 on or before this date.

Please contact me if you require any further information with regards to this document.
