

**Notice of DN Entry Commodity Charges / Credits for New  
Distributed Gas Entry Points for East of England and North West  
Distribution Networks**

This notice is issued in accordance with our Licence and Network Code obligations and forms an annex to National Grid's LDZ Transportation Charging Statements for the above Distribution Networks. It confirms the DN Entry Commodity charges / credits for two new Distributed Gas Entry Points, as shown in the table below.

<b>Distribution Network</b>	<b>Distributed Gas Entry Point</b>	<b>Entry Commodity Charge (p/kWh)</b>	<b>Charge / Credit</b>	<b>Expected Start Month</b>
East of England	Lindholme, Doncaster	-0.0439	Credit	Sep-13
North West	Granox, Widnes	-0.0602	Credit	Nov-13
