

UPCO008 iGT Customer Data Provision Service

Evaluation Quotation Report (EQR) Voting Outcome Report

1. Background

Change Order Reference UPCO008 entitled iGT Customer Data Provision Service was proposed by Xoserve on 5th November 2013.

Following the initial Voting Period the Change Order was Approved by the User Pays User Committee (UPUC).

In line with the prevailing Change Procedure the EQR was discussed with members of the UPUC meeting on the Friday 13th December 2103. At this meeting it was determined that the EQR should be issued to members for formal consideration.

Xoserve notified all User Pays Customers of this decision and invited votes from Users Pays Customers to accept or reject the EQR and funding of the Business Evaluation Report (BER) before 17:00 on Wednesday 8th January 2014.

2. Voting

Xoserve received votes from one (1) User Pays Customer during the Voting Period. The results of these votes can be found in the following table;

<u>User Pays Customer</u>	<u>For / Against</u>
Eon Energy	For

3. Outcome

Following the Voting Period the conditions of Clause 6.2 of the UPUC Terms of Reference have been met. As such the iGT Customer Data Provision Service EQR is **Approved** by the User Pays User Committee.

4. Next Steps

The next UPUC meeting is planned for the 13th January 2014, where an update on the Change Order will be discussed at this meeting.
