### Do you support or oppose implementation?

Support.

### Please summarise (in one paragraph) the key reason(s) for your support/opposition.

We support the implementation of this proposal on the basis that opening the market earlier may improve liquidity and trading in the day-ahead OCM market. Under current arrangements, liquidity at this stage is limited.

### Are there any new or additional issues that you believe should be recorded in the Modification Report?

No.

### Relevant Objectives:

*How would implementation of this modification impact the relevant objectives?*

We agree with the views of the proposer.

### Impacts and Costs:

*What analysis, development and ongoing costs would you face if this modification were implemented?*

None.

### Implementation:

*What lead-time would you wish to see prior to this modification being implemented, and why?*

As stated in the proposal.

### Legal Text:

*Are you satisfied that the legal text [and the proposed ACS (see [www.gasgovernance.co.uk/proposedACS](http://www.gasgovernance.co.uk/proposedACS))] will deliver the intent of the modification?*

Yes.

### Is there anything further you wish to be taken into
