Do you support or oppose implementation?

SUPPORT IMPLEMENTATION

Please summarise (in one paragraph) the key reason(s) for your support/opposition.

This change will help ensure that customer transfer timescales requirements across the UK are achievable in Scotland when transfers are impacted by the additional Scottish New Year Bank Holiday

Are there any new or additional issues that you believe should be recorded in the Modification Report?

None

Relevant Objectives:

How would implementation of this modification impact the relevant objectives?

By treating the Scottish additional New Year Bank Holiday as a working day it lessens the constraints on transfer timescales when they are at their tightest which facilitates efficiency in the administration and implementation of the network code

Impacts and Costs:

What analysis, development and ongoing costs would you face if this modification were implemented?

None envisaged

Implementation:

What lead-time would you wish to see prior to this modification being implemented, and why?

As soon as practicable so it is available for 2014/2015

Legal Text:

Are you satisfied that the suggested legal text will deliver the intent of the modification?

We have not reviewed the legal text

Is there anything further you wish to be taken into account?

Please provide any additional comments, supporting analysis, or other information that that you believe should be taken into account or you wish to emphasise.

No.
