### **Final Notice Southern Transportation Charges effective from 1<sup>st</sup> April 2014**

Please find attached the notice of Southern Gas Networks transportation charges effective from 1<sup>st</sup> April 2014.

On the basis of the latest available forecasts of allowed and collected revenue there is a requirement for an overall decrease in gas transportation charges of 2.7%.

These charges reflect the 2014/15 base level revenues published by Ofgem for the RIIO-GD1 Price Control plus an adjustment for RPI, Network Innovation Allowance, 12/13 Discretionary Reward Scheme Award and the impact of a declining supply point maximum capacity (SOQ).
