

Legal Text Variation Request

0506 - Gas Performance Assurance Framework and Governance Arrangements

Date: 6th November 2015

Wales & West Utilities requests a variation to the legal text for this modification.

Reason for Variation

The current text does not have the Performance Assurance Framework Document as a UNC related document under TPD V12. This is not the intent of the modification proposal and was caused by ambiguity in the introductory text of the Performance Assurance Framework Document.

Nature of Variation

This variation to the legal text is require to add the Performance Assurance Framework Document to TPD V12 and to make a consequential change to the text for 16.1.1 d (ii)

We do not believe that this change is material

A change marked version (version 4) is published alongside this variation request.
