Support or oppose implementation?	Support
Relevant Objective:	f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

It is helpful to keep the UNC document up to date and relevant. This proposal will achieve that objective.

Self-Governance Statement: Please provide your views on the self-governance statement.

See our answer to the specific question from the Modification Panel below.

Implementation: What lead-time do you wish to see prior to implementation and why?

As soon as reasonably practicable.

Impacts and Costs: What analysis, development and ongoing costs would you face?

No costs identified.

Legal Text: *Are you satisfied that the legal text deliver the intent of the Solution?*

Yes.

Modification Panel Members have requested that the following question be addressed:

Q1: Respondents to provide a view as to whether or not this modification should be redesignated as self-governance.

We believe that self-governance status should be given to the proposal as the proposal per se will not impact Users if it is implemented.

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

None identified.

Please provide below any additional analysis or information to support your representation
