Support or oppose implementation?	Support
Relevant Objective:	b) Positive e) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

Implementing this modification proposal will introduce a positive change into the governance arrangements for proposing updates to the NTS Optional Commodity charge. It will align the NTS Optional Commodity with other charging function in UNC TPD, Section Y and changes will be subject to increased industry and regulatory oversight.

Self-Governance Statement: *Please provide your views on the self-governance statement.*

We agree that this modification proposal meets the criteria for self-governance.

Implementation: *What lead-time do you wish to see prior to implementation and why?*

We agree with the proposer that it be implemented at the earliest practical opportunity following the UNC Modification Panel decision.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

None.

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

Yes, we are satisfied that the legal text, including the amended formula, delivers the intent of the solution.

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*
