<b>Date of Representation:</b>	15 January 2016
<b>Support or oppose implementation?</b>	Support
<b>Relevant Objective:</b>	f) Positive

#### Reason for support/opposition - Please summarise (in one paragraph) the key reason(s):

Implementation of this Modification Proposal will help clarify the process around raising Modification Proposals and promote good governance of the Change Process. It will allow the Joint Office more time to fulfil its role as a 'critical friend' to proposers and empower the Modification Panel to defer a Modification Proposal if they feel it lacks sufficient clarity and development.

#### Self-Governance Statement: *Please provide your views on the self-governance statement.*

We agree that this Modification Proposal qualifies for Self-Governance.

#### Implementation: *What lead-time do you wish to see prior to implementation and why?*

We are happy for this proposal to be implemented according to the Self-Governance guidelines.

**Impacts and Costs:** *What analysis, development and ongoing costs would you face?*

N/A

**Legal Text:** *Are you satisfied that the legal text will deliver the intent of the Solution?*

Yes.

**Are there any errors or omissions in this Modification Report that you think should be taken into account?** *Include details of any impacts/costs to your organisation that are directly related to this.*

No.

**Please provide below any additional analysis or information to support your representation**
