

Gas Transportation Charges from 1 April 2016 for East of England, London, North West and West Midlands Distribution Networks (Supplemental for Additional DN Entry Sites No.5)

This notice is intended to supplement our previously published [Final Charge Notification](#) and [Charging Statements](#) for the charging year commencing 1st April 2016, and is provided with two months' notice ahead of implementation in line with Uniform Network Code and Gas Transporter Licence obligations.

It provides DN Entry Commodity charge / credit rates for additional Distributed Gas Entry Points that are expected to come into operation before the end of the 2016/17 charging year, but for which connection offers had not been accepted at the point of original charge notification.

These rates will be applicable for the period between commencement of site operation and the end of the charging year on 31st March 2017. In each instance, site commencement is currently expected to be five months or more from the date of publication of this notice.

If you have any questions or comments regarding this notice please contact me at the address below.
