# Review of Supplier Objections

---

- Potential changes identified “for 2016 implementation” in Ofgem 2016/17 Work Programme
- Xoserve took action at April COB to seek clarification
- Ofgem’s response
  - Review is continuing to timeline set out in Work Programme
  - Review is an external dependency for Switching Programme - policy decision to be reflected in design for Central Registration Service.
  - Switching Programme design work assumes objections would be pre-loaded in an “objections database”
