

0602 - Implementation of Non Effective Days and Variant Non-Business Days for Project Nexus Implementation (Project Nexus transitional modification)

Amend Transition Document Part IIF to read as follows:

1.5 Non-Elapsed Time Days and Non-TPD Communication Days

1.5.1 For the purposes of this Part IIF:

(a) where a Day is a "**Non-Elapsed Time Day**" then such Day shall not count as:

- (i) a Supply Point Systems Business Day for the purposes of TPD Sections G and M under the Old Rules and the New Rules;
- (ii) a Query Count Day or a Query Receipt Day for the purposes of TPD Section S4.7;

(b) where a Day is a "**Non-TPD Communication Day**" then on such Day:

- (i) a Party is not permitted to, and the CDSP shall not be required to, make any TPD Communication for the purposes of TPD Section G;
- (ii) a User is not permitted or required to submit a Meter Information Notification, a Meter Information Update Notification or a C&D Notification to the CDSP for the purposes of TPD Section M3.2;
- (iii) the CDSP shall not be required to make any TPD Communication for the purposes of TPD Section M or update the Supply Point Register.

1.5.2 Each Day in the period from (and including) [23] May 2017 to (and including) [5] June 2017 shall be a Non-Elapsed Time Day.

1.5.3 Each Day in the period from (and including) [23] May 2017 to (and including) [31 May] shall also be a Non-TPD Communication Day.

1.5.4 For the purposes of OR TPD Section M5.2.2 and 5.2.3 no liability shall be payable by the Transporter by reason of the failure by the Transporter to provide a Valid Meter Reading on a Non-Elapsed Time Day.

1.5.5 A User shall not be entitled to notify an Invoice Query on a Non-TPD Communication Day.

5.5.10 For the purposes of this Part IIF the references to four (4) Supply Point Systems Business Days in TPD Section G2.5.8(b) shall be disregarded, and instead where any of the relevant circumstances referred to in TPD Section G2.5.8(b)(i), (ii) or (iii) apply the latest date on which

the Proposing User may submit a Supply Point Confirmation specifying a relevant Proposed Supply Point Registration Date shall be the date specified in the table below:

Relevant Proposed Supply Point Registration Date	Latest date on which the Proposing User may submit a Supply Point Confirmation specifying the relevant Proposed Supply Point Registration Date
1, 2, 3, 4, 5 or 6 June 2017	17 May 2017
7 June 2017	18 May 2017
8 June 2017	21 May 2017

- 5.5.11 Where a Supply Point Confirmation is submitted on 21 May 2017 with a Proposed Supply Point Registration Date of 8 June 2017 and TPD Section G2.8.1 applies, the CDSP shall notify the Existing Registered User by no later than 1200 hours on 22 May 2017 and the Existing Registered User may submit a Supply Point Objection by no later than 2300 hours on the same day.
