005GOV	19/05/05	National Grid NTS	SME roles & responsibilities	0084	M	Proposal raised	Resolution of Mod Proposal 0084

Closed							
009GOV	16/03/06	Total (SL)	UK Link Processes and Testing	0091	M	<p>The process for Class 3 Modifications is considered cumbersome and other Section U processes should be reviewed.</p> <p>Elxon made a presentation at the April meeting on BSC processes. Further discussion took place at May meeting.</p> <p>Following discussion at the Workstream a User has raised Modification Proposal 0091 in order to permit Users to raise the Modification Proposal, which would accompany any Class 3 UK Link Modification.</p> <p>It was agreed that a way forward would be identified by which Users might secure a test environment which could be used wherever a UK Link Modification was progressing through development</p> <p>At the July Workstream the Joint Office submitted a paper identifying the way forward, which was for a UNC Proposal to be raised to accompany the UK Link Class 3 Modification. The topic was therefore closed</p>	None
