

Modification 0078 - Variation/Withdrawal of a Modification Proposal

UNC Provisions

- Process starts when Panel Determines to send Proposal to Consultation
- Any variation requires notice to be given
- Notice must describe the nature of the variation

Panel Consideration

- Mod Panel consider all variation requests
- Proposer shall attend to explain request
 - Person who made the Proposal
- Panel determines whether the variation request is immaterial
 - Unanimity required to determine immateriality

Process Impact

- In all cases, the original Proposal lapses and is replaced by a varied Proposal
 - Process complete for original
 - Varied Proposal has new number
- If variation request is immaterial
 - Continues from same point as original
- If variation request is material
 - Treated as new Proposal

Options

Process Point Reached	Immaterial	Material
Voted to Consultation	DMR based on replacement	Treat as new Proposal
DMR Issued	DMR withdrawn, DMR for replacement issued, no change to close-out date	
Consultation Ended	FMR produced for replacement, based on original reps	
FMR Issued	FMR withdrawn, FMR for replacement produced.
