Dear Pam,

**Final Modification Report - Mod 269 "Changes to the charging of compression at TOM".**

Thank you for the above. Ofgas accepts this modification and we enclose the signed acceptance.

We note that the new provisions contained in this report are to take effect from October 1 1998. We trust, therefore, that all transportation invoices issued by Transco to shippers at St Fergus for the month of October will fully reflect this modification.

Yours sincerely
