Dear Dennis,

Re Modifications 267, 268 and 270

Further to your faxes regarding each of the above Ofgas will allow urgent procedures to apply.

I note that for Mod 268 you have indicated target dates for Transco's final report and the Ofgas decision. To reiterate my point made in our telephone conversation this afternoon, Ofgas regards these as actual deadlines, not target dates.

Could you please confirm as soon as possible your agreement of the above? If you should have any queries, please do not hesitate to contact me.

Regards
