Dear Colleague,

**NOTICE OF IMPLEMENTATION
MODIFICATION PROPOSAL No: 0537**

"Reduction in notice period for change to Siteworks terms and procedures"

Please note that Modification Proposal No 0537 was implemented with effect from 06:00 hours on 25/03/2002. The Final Modification Report, Version 1.0, was signed by Ofgem on 25/03/2002.

The new Network Code text resulting from this Modification follows.

Modified Text:

Transitional Document, Part II, Paragraph 8

Add new paragraph 8.4.19 :

" 8.4.19 G7.2.4 In respect of changes to the "Agreement and General Conditions of Contract for Miscellaneous Meter Works not exceeding 73,200 kWh" and the "General Conditions of Contract for Discontinuances", for the purpose of the implementation of revisions associated with the introduction of the Gas (Standards of Performance) Regulations 2001, the requirement in Section G 7.2.4(ii) that not less than 3 months notice be given by Transco shall not apply and Transco shall instead give such notice as far in advance of the date on which the changes contained therein are to be implemented as is reasonably practicable."

Yours sincerely,

Julian Majdanski
