EDF Energy	Simon Power	14/06/2016	Support	Y	No Issues with this change. However, will we be being supplied with a report with all the MPRN's that are affected in our portfolio before or after these rules are applied, to enable us to align or update systems?	Thank you for your comment. Portfolios will not be issued for each individual Transformation rule as the data changes with each IGT portfolio submission. However the transformation rules can be identified through your monthly portfolio reports.
