

# UNC 0695:

Mod Title: Obligations on Shippers to pass Transporter compensation payments on to consumers, via suppliers

Proposer: Tracey Saunders (Northern Gas Networks)

Panel Date: 20<sup>th</sup> June 2019

# Why change?

- Instances where payments made under (Standards of Performance) Regulations 2005 (as amended), have taken months to reach consumers
  - Transporters have 20 day obligation to process statutory payments
  - **No set time frame for Shippers to pass payments through**
  - Suppliers have 10 day obligation to pay end consumer
- No existing obligation for Non Statutory (Voluntary) Payments to be passed through

# Options

This is only codifying what already exists in practice

# Solution

- To add into code the obligation to pass on non-statutory payments the same way that statutory payments are passed on
- To add a specified timeframe (10 days) for shippers to pass on payments received
  
- There is a separate SPAA Change Proposal to codify the non-statutory payment obligation for Suppliers.

# Recommended Steps

- The Proposer recommends that this modification should be:
  - Subject to self-governance
  - Sent to Distribution Workgroup for assessment to develop the modification for 1 month
