Analysis to Implementation

Key Points

- No expected decision date for Modification 0846. Six separate mini-drops potentially required throughout the winter of 23/34

Gemini Sustain Plus Engagement

- There will be a dedicated series of Focus Groups to discuss the programme and we strongly encourage all companies that use Gemini to attend. Details of the first event are as follows:
 - **Virtual Event**
 - **Date: Monday 25th September 2023**
 - **Time: 13:00-15:00**
- The series of Focus Groups will provide valuable insight to operational and technical developments within the programme including demonstration of screen changes / improvements, enhanced user experience and technical updates as part of the delivery.
- Details and invitation to participate have been issued and can be found at [Gemini Sustain Website](#)

Future Involvement Opportunities

- **Focus Group:** Initial Focus Group starting 25 September 2023, further ones will be scheduled
- **Market Trials:** Q2 2024, it is essential all companies that use Gemini participate in these. Details and invitation to participate will be issued later this year.
- **Training:** 2024 (dates TBC), essential training will be provided in order to access and use the updated Gemini
- **New Gemini User IDs:** Details of how to register for these will be issued
- **New URLs:** Details will be provided but you will need to involve your technical teams to enable appropriate whitelisting and access
