Summary

- ▶ Having broad and varied representation at each of the following Committees ensures that the decisions made at Committees are relevant. All appointments commence from the start of the Gas Year (01 October):

Committee	Duration of membership
UNC Modification Panel	2-years – current membership runs to September 2025
Demand Estimation Committee	1-year
Energy Balancing Committee	1-year
*Performance Assurance Committee	2-years
DSC Change Management Committee	1-year
DSC Contract Management Committee	1-year
DSC Credit Committee	1-year

**Performance Assurance Committee now has a split membership that runs for 2-years with 5 of the 9 memberships running until 30 September 2024 and 4 memberships that will run from 01 October 2023 to 30 September 2025.*

- ▶ Transporters provide their own nominations separately.
- ▶ The documentation for the process can be found here: www.gasgovernance.co.uk/elections
