Communication Ref: LJ/1019/LC

Subject: UNC Modification 0224 Facilitating the use of AMR in the Daily Metered
Regime – Successful Implementation

Colleague,

xoserve is pleased to confirm that all planned implementation activities for DM
Elective were successfully completed over the weekend 20/21st November.
Shippers can submit the first DM Elective nominations for sites eligible in Phase I
from 22nd November.

If you have any queries regarding this implementation or in relation to the DM
Elective process please direct them to the following box account
xoserve.dmelective@xoserve.com

Regards,

Lorraine Cave
