

## ANS Replacement Project Update

Contact: Gary Kilburn

Email:- [Gary.kilburn@nationalgrid.com](mailto:Gary.kilburn@nationalgrid.com)

Tel:- 07717-443-498

## ANS – overview

---

### ■ Scope:-

- Decommission the old, obsolescent ANS service and replace it with an ***improved*** more ***flexible*** service.

#### **Benefits include:-**

- 24/7 Supported System.
- Removal of stand alone handset.
- Facility to maintain own contact details.
- SMS and Email Communication.
- Flexible system which can be developed for future change.

## UKLINK Update

---

Indicative 'Go Live' date of September-14.

UKLINK Manual will require amending to remove reference to the previous supplier.

General communication is on-going via the National Grid Market Operations Business Planning Team at the Gas Operational Forum.
