Subject :Re: CB/1006/DA - UKLink Committee Important Dates for 2010/2011 Calendar

Colleague,

Please find attached an amended 2011 Release Implementation Dates. Please accept my apologies for any inconvenience caused as a result of the errors in the previous communication (CB/1006/DA).

2011 Release Implementation Dates:

- **Friday 25th February 2011**
- **Friday 24th June 2011**
- **Friday 4th November 2011**

Please also note:

As in previous years, the dates proposed are caveated due to potential impacts upon the invoicing schedule. Should implementations be required that impact this invoicing schedule the Committee's approval will be sought to implement outside of this timetable. These dates have been sent prior to the UKLink Committee meeting, so that members can consider their views and discuss at the next UKLink Committee.

Kind Regards,
