Subject : COR1630 Exit Reform - OCS OPS Bulk Upload File Format - Change Pack 1 of 2

Colleague,

At yesterday's UK Link Committee meeting Dave Addison provided an update on behalf of the Exit Project team.

COR1630

The attached File Format document is to be submitted for Representation. This is a new file being introduced under the NTS Exit Reform Phase 2 project and relates to the OCS and OPS process. While the document is to be reviewed by all parties the actual users of the file will be the Distribution Network Operators.
