Subject: **CB/1015/MR - Gemini MIPI ETP change Implementation date - Change Pack Part 2 of 2**
Date: 15 October 2010 15:08:04 GMT+01:00
▶ 1 Attachment, 2.3 KB

Communication Ref : CB/1015/MR
Subject : Gemini MIPI ETP change Implementation date

Colleague,

Please accept this communication as notification that the Gemini aspect of the MIPI ETP change will implement as planned on 7th November 2010.

This is a 'Class 1' change with no direct impact on the external community. The purpose of this change is to deliver an additional 9 interface from the Gemini system to the National Grid MIPI system.

The planned implementation will take place within the regular Gemini maintenance window of 04:00am to 06:00am, with no requirement to propose an extended outage.

If you have any questions regarding this implementation then please do not hesitate to contact me.

Regards,

Matthew Rider
