Communication Ref : CB/989/DA
Subject : COR962.3 - FLE - Process to Challenge UK Link File Outcomes Representation Matrix

Colleague,

Further to the issue of the communications relating to the DMQ and FLE process changes as a result of the Query and Workflow Management Change (COR962.2 and .3 within the UKLink Implementation Plan), please find attached the representation matrix for 962.3 related to the FLE process change.

No comments were received related to the DMQ change.

These changes will be discussed at UKLink Committee on 8th July, where the content will be baselined, prior to formal approval when the final formats are made available.
