**CB/930/LC - Modification Proposal 0224 - Facilitating the use of AMR in the Daily Metered Elective Regime**

Colleagues,

With regards to the approval of UNC Modification Proposal 0224 - Facilitating the use of AMR in the Daily Metered Elective Regime, xoserve are proposing an implementation date of Monday, 22 November 2010.

The initial analysis for the above was undertaken by David Addison and has now been passed onto myself for delivery. If you have any queries regarding this proposal please contact me.
