Change to existing service New service |

The new IAD Service to be implemented in 2012 is being launched with a new name "Data Enquiry Service". In order to maintain consistency with the Services Schedule for the provision of Non-Code User Pays Services, a change is proposed to replace the name "IAD Service" with the name "Data Enquiry Service".

In addition the opportunity will be taken to replace 'xoserve' with 'Xoserve' in the Services Schedule.

No other change to the IAD Service Schedule is proposed, there are no impacts to the service as a result of this change.
