EDF	Hazel Doyle	23/12/05	Accept	Yes	It is our preference to have this change implemented on 25th March 06 as there will be an operational impact.	Accepted: First issue of these file formats will be scheduled for 25 th March.
SSE	Cher Harris	23/12/05	Accept	Yes	None	N/A
SCP	Mark Pitchford	23/12/05	Accept	Yes	Would have liked to have seen the invoice number and NWO short code present within the H03 record. Generally Scottish Power would like to see a consistent format for all invoice files.	It is acknowledged that this information is not in the H03 record however it is present in the H02 record.
BGT	Graham Wood	23/12/05	Accept	Yes	BGT confirms that they are supportive of all the UKLink changes within the December change pack. However this is with the caveat that the implementation of all five changes are batched and take place in June 2006
