## **Legal drafting bundles**

### **Mod 0432**

**Core Enduring** – Principle changes from Mod 0432 to Sections A, C, E, F, G1.5, G1.6, G1.11 and M

**Non Core** – Work streams from this include:

- Making any ancillary changes to other Sections as a result of Core Enduring changes. We will be checking all other Sections including the rest of Section G. We will be checking for consistency, cross referencing etc
- Checking how any Mods that have been approved but not effected yet will affect any amendments made as a result of the Core Enduring amendments.
- Invoicing

**Adjusting for Mod 428**

### **Mod 0434**

**Retrospective** – Changes from Mod 0434 mostly to Sections M, E and G

### **Mod 0440**

**TPD text**

**IAD**

**Framework Agreement & GTs**

**Modification Rules**

### **Mod [?] Allocation**
